

Program 5th Annual Workshop EURL Bacteriology/Mini symposium on bacterial taxonomy and diagnostics

**Saturday 19/8/2023 (8:00-17:30 hrs CET).
Room: Rhone 4**

19/08/2023	Room: Rhone 4		
8:00-12:30	5 th EURL Workshop EURL Bacteriology: restricted workshop to EU National Reference Laboratories (NRL's)		
12:30-13:30	<i>Lunch</i>		
Mini symposium on bacterial taxonomy and diagnostics			
13:30-13:40	Opening of the mini symposium	Maria Bergsma-Vlami NIVIP/NVWA, The Netherlands	10 min
13:40-14:20	The Nuts and Bolts of Classification, Identification and Nomenclature of Bacterial Plant Pathogens	Marion Fischer-Le Saux (Invited speaker) INRAE, France	40 min
14:20-15:00	Scanning through a wealth of genomic and metagenomic datasets for the quest of reliable disease diagnostic solutions	Neha Potnis (Invited speaker) Auburn University, USA	40 min
15:00-15:40	Reclassification of <i>Curtobacterium flaccumfaciens</i>	Ebrahim Osdaghi, (Invited speaker) University of Tehran, Iran	40 min
15:40-16:00	WGS demonstration/training part 1	Steve Baeyen ILVO, Belgium	20 min
16:00-16:20	<i>Coffee break</i>		20 min
16:20-17:15	WGS demonstration/training part 2	Steve Baeyen ILVO, Belgium	55 min
17:15-17:30	Closure of the mini symposium	Maria Bergsma-Vlami NIVIP/NVWA, The Netherlands	15 min
<i>Group photograph and Dinner</i>
